

Welcome to 2C!

My name is Mrs. Conrad and we have so much fun as a second grade community. We read a lot of great

books, are Ninja Math Masters,

Science Sleuths and Community Classmates. We love to use our imagination when we are working on writing craftivities. We're working hard and we welcome you to come and visit us!

This is also a big year for many of our second graders because they will be receiving the Sacraments of Reconciliation and First Holy Communion. As a community of faith, we are demonstrating with each other how we live like Jesus every day.
